

CONSULTANT ADVISOR

Would you like to work for one of the premier HR Consulting / I-O Psychology brands? As one of NZ's leading providers of psychometric testing and HR Consulting, OPRA's forward thinking approach has opened up the opportunity for two technically savvy, driven Consultant Advisors to join our hard working team.

This is an opportunity to:

- Join a young, vibrant, skilled team.
- Gain exposure to a wide range of I-O psychology areas including psychometric testing, surveying, job analysis and a vast range of other selection and organisational development and change areas.
- Secure a role in I-O Psychology in either Wellington or Christchurch.

Reporting directly to the Regional Manager, you will take a lead role in the provision of psychometric assessments, in addition to supporting the regional manager and OPRA consultants in the delivery of HR consulting activity / initiatives. As one of the first points of contact for all incoming calls and general office emails, you need to be motivated, conscientious, technically savvy and be able to multitask.

You will have (or be soon to complete) a Master's degree in Industrial – Organisational Psychology, strong communication skills and a willing, can-do attitude. It is important that you have the ability to manage your own time, think on your feet and be one, or even two steps ahead of everyone else. Work experience in I-O psychology or HR is a bonus but not a requirement.

If you would like to request a position description, please contact Courtney McGuigan on courtney.mcguigan@opragroup.com. If you would like to apply for the Consultant Advisor position, please send a cover letter and CV to courtney.mcguigan@opragroup.com by Wednesday 11th August. In your application, please specify your interest in either the Wellington or Christchurch-based position, or both.
